

Bad Day – Daniel Powter

[C] Where is the [F] moment when we need it the [G] most [F]-[G]
[C] You kick up the [F] leaves and the magic is [G] lost [F]-[G]
[Am] They tell me your [G] blue skies fade to [F] grey
They tell me your [C] passion's gone [Dm] away
And I don't [Dm] need no carrying [G] on

[C] Stand in the [F] line just to hit a new [G] low [F]-[G]
[C] You're faking a [F] smile with the coffee to [G] go [F]-[G]
[Am] You tell me your [G] life's been way off [F] line
You're falling to [C] pieces every [Dm] time
And I don't [Dm] need no carrying [G] on

[Chorus]

Cause you had a bad [C] day
You're taking one [F] down
You sing a sad [Dm] song just to turn it [G] around

You say you don't [C] know
You tell me don't [F] lie
You work at a [Dm] smile and you go for a [G] ride

You had a bad [Am] day
The camera don't [G] lie
You're coming back [F] down and you really don't [C] mind
You had a bad [Dm] day [G]
You had a bad [C] day

[C] [F] [G] [F]-[G] x2

[Am] Well you need a [G] blue sky holi[F]day
The point is they [C] laugh at what you [Dm] say
And I don't [Dm] need no carrying [G] on

(Repeat Chorus)

[Eb] Sometimes the system goes on the blink
And the [Ab] whole thing it turns out wrong
You [Eb] might not make it back and you know
That you could [Ab] be well oh that strong
Well I'm not [G] wrong

[C] So where is the [F] passion when you need it the [G] most [F]-[G]
[C] You kick up the [F] leaves and the magic is [G] lost

(Repeat Chorus)
