

A Whole New World - Aladdin

C **C**
I can show you the world
C **Am - G**
Shining, shimmering, splendid
Dm - E7 **Am**
Tell me, princess, now when did
F **C**
You last let your heart decide?

C **C**
I can open your eyes
C **Am-G**
Take you wonder by wonder
Dm - E7 **Am**
Over, sideways and under
F **C**
On a magic carpet ride

G **C**
A whole new world
G **C**
A new fantastic point of view
F - C
No one to tell us no
F - C
Or where to go
Am7 - D7 **G7**
Or say we're only dreaming

G **C**
A whole new world
G **Am**
A dazzling place I never knew
F - C
But when I'm way up here
F - C
It's crystal clear
Am7 - D7
That now I'm in a
G7 **C**
Whole new world with you

C **C**
Unbelievable sights

C **Am-G**
Indescribable feeling
Dm - E7 **Am**
Soaring, tumbling, freewheeling
F **C**
Through an endless diamond sky

G **C**
A whole new world
G **C**
A hundred thousand things to see
F - C
I'm like a shooting star
F - C
I've come so far
Am7 - D7
I can't go back to
G7
Where I used to be

G **C**
A whole new world
G **Am**
With new horizons to pursue
F - C
I'll chase them anywhere
F - C
There's time to spare
Am7 - D7
Let me share this
G7 **C**
Whole new world with you

G **F**
A whole new world
G **F**
That's where we'll be
G
A thrilling chase
G
A wonderful place
G7 **C**
For you and me
